Geeken Furniture
Better Furniture, Better Life!

K.N Pandey
Managing Director

We want to achieve customers' delight by delivering world-class furniture solutions using the best manufacturing and business practices.

Managing Director's Message

As proud and as unstoppable as the sun itself, Geeken continues to rise day after day and helps make the world a better place with its solutions for offices, homes, schools, the hospitality industry, hospital & more. It is our 33+ years of experience, dedication to putting comfort and functionality before anything else, Our innovations in design and durability and the value that we bring to every space we find ourselves in that are truly unmatched. We endeavor to provide sustainable solutions achieved through conscious and prudent use of resources.

In valuing our human resources, we set the foundation for valuing our patrons. Starting from the ground up, quality control and excellence permeate every level from designing and testing to manufacture and customer relations.

Our world-class manufacturing facility, coupled with an extensive infrastructure, allows us to manufacture the finest and much-loved products. we measure our success in our customers' delight and it has made us the leader in modular seating solutions and allied applications.

Geeken Furniture
Better Furniture, Better Life!

Geeta Pandey
Director

Director's Message

I take this opportunity to thank all our esteemed customers, business associates & channel partners for keeping faith in our product & service that has strengthened brand "GEEKEN" & its market share too. our highly satisfied customers & our enthusiastic channel partners are an integral part of brand GEEKEN. We strongly believe that merely customer satisfaction is not sufficient but our customers shall be delighted by our products & services.

At GEEKEN, our endeavour is to provide highly ergonomically designed product with exceptional features designed to ensure highest level of comfort. We are committed to continuously improve our product & services in order to address the dynamic needs of our customers. Moving further with our responsibility of producing a healthier product we have started developing green products also that have low VOC contents.

I look forward to your continued support in future for our mutual success & growth.

CEO Message

Dear Customers,

Trust, quality and performance : that is what Geeken has offered its clientele for over 33 years. Geeken believes in integrity, and doing the job right every time and we don't deviate from our values. This consistency is what keeps customers loyal and allows us to attract new customers. As a company we believe in the highest levels of performance and constant learning to ensure we stay focused in this changing world. Geeken has a strong team work based culture with experts in each area that can ensure that our product serve you for a long time.

"I wish you tremendous success in using Geeken products"

Rajeev Kapoor
CEO

Core Values

S

Safety

We operate safely and ensure this aspect is considered while designing new product also.

P

People

We respect one another, recognizing that our success depends upon the commitment, capabilities and diversity of our employees.

I

Integrity

We are ethical and trustworthy in our relationships with our customers.

R

Responsibility

We are accountable for our actions. We are a good neighbor and citizen in the communities where we operate.

I

Innovation

We anticipate change and respond with creative solutions. We are agile and responsive to the changing needs of stakeholders and embrace learning opportunities from our experience around the world.

T

Teamwork

Our 'can do' spirit delivers top performance. We encourage collaboration, celebrate success and build and nurture long-standing relationships.

Geeken Furniture
Better Furniture, Better Life!

Overview

Geeken has become a name that people trust over our 33+ years of delivering excellence, innovation, and ergonomic ideation. We also embrace the world in all its myriad colors. Having made a humble foray into the field of furniture with chairs, Geeken Furniture now has a spectrum of modular office & home furniture, seating solutions for stadiums, auditoriums, schools, and other institutions, hospital & lab furniture, and much more. The rainbow is also a creation of the sun and its interplay with raindrops. Just as we all love a rainbow, Geeken Furniture employs the same concept of colors for the infinite combinations of finishes and numerous origins of natural and technological materials. A subtle boundary shows how multi-textured language can represent the new cosmetic effect of the cultured, cosmopolitan design. A true style laboratory is established that applies imagination and evolves. In this way, each product celebrates the end of a process and the beginning of a new one. The VIBGYOR in the logo represents the versatility that Geeken Furniture provides, with each color symbolizing our ideals in order to best achieve the following for all of our clients: Comfort & Functionality First; Design & Durability Second; Value & Ergonomics Always!

With the sun as our guiding light, the chair as our promise of comfort, power, and support, and a spectrum of products to bring you joy, Geeken creates as a master and serves as a leader.

33+ young industry expertise & infrastructure excellence crafted through unstinted dedication to quality, innovation, and a constant objective to serve the global furniture market.

At IMT Manesar, Gurugram, a fully equipped state-of-the-art manufacturing complex spread over 6,00,000 sq. ft. of area, completely loaded with advanced machinery and skilled staff, has been set up. We have selected the best and most sustainable raw materials, a highly skilled production crew, and designers who focus not only on aesthetics and ergonomics but also on providing effective customization and space optimization. We also have an in-house testing laboratory that is fully prepared to test and check all quality parameters before manufacturing each and every product. Our production unit is also ISO 9001:2015, ISO 14001:2015, and ISO 45001:2018 accredited, ensuring compliance with international quality management system standards, environmental management system standards, and occupational health and safety management system standards. Aside from that, we are a BIFMA international member. We have also been accredited by the Indian Green Building Council for monitoring and complying with all of the IGBC's standards, energy saving being a major aspect. We endeavor to provide excellence to our clients in every product we create, with a heavy emphasis on International Quality Standards.

What adds to it is the consciousness the brand has towards the conservation of the environment and all-natural resources. We are firm believers in sustainable development and use our resources with utmost care to ensure that future generations are not devoid of the many blessings we have received.

Optimize the space

Mobile storage systems are three times more space efficient than conventional filing and shelving at half the cost.

When storage needs outgrow available space, the problem usually tackled with a move to larger premises, an expensive option. But there is an alternative, you can increase storage efficiently with a mobile shelving system, that :

A. Saves Money

B. Boost Efficiency

C. Improves your Working Environment
